

Transcript of the Card Control demo video for the HSBC India Mobile Banking app

Wouldn't it be truly wonderful to be in control of your world?

Of all the experiences, adventures, and exciting challenges it throws your way?

If only

There is one aspect of your world, a rather large one which you could control.

Your finances

Here's how you can manage and organise the transaction limits of your HSBC Credit or Debit Card in 4 easy steps

Step 1.

- Log in to the HSBC India mobile app and select **your Credit Card or Savings/Current account**

Step 2.

- Click on
- **Manage Cards**
- **Transactions and limits**

Step 3.

- Click on either **Domestic** or **International** depending on your requirement
- Activate **ATM transactions, Online transactions, Point of Sale, or Contactless as** per your choice

Step 4.

- Set **Transaction Limits** to your liking
- And click on **Save**

You're good to go!

You can now use your HSBC Credit or Debit Card for your preferred type of transactions, whenever you want.

If in future, you wish to disable all your transaction limits, follow these 3 simple steps

- Toggle the 'Switch transaction limits' button to the left
- Click on Yes and Save

Isn't it great, enjoying the power of control over your finances?
