It's looking nice on you

Heyy, do you have something for me?

Ma'am, hi, hello

Don't you have to go to work today?

When I have you, why do I need to work?

I've always told you not to touch that. That's for my big trip to Alaska!

Mom, with this, you won't even reach Akola.

Don't worry. I'll ensure you'll go.
