

In today's fast paced world, effective Wealth Management is the key to achieving success. Mutual funds are a vital investment vehicle to do that.

Our Mutual Funds online feature will help you **manage your wealth** better.

It provides **fund performance** and **snapshot** to help you take informed decisions.

Be it **Systematic Plans, Buy, Sell, Switch** transactions or real-time **Order Status**, you can do it all here!

Invest as per your risk appetite at your own **convenience**.

Here are the detailed steps to start a Systematic Investment Plan through this portal.

Click on Log On

Click on the Mutual Funds tab

Click here to search for funds

Type your key words

Click on the down arrow next to the selected fund

Click here

Select Folio

Select Debit Account number

Enter SIP Amount

Select Frequency from the drop down

Select SIP effective date

Enter number of instalments

Preview your order before placing the final request

Click here to view real-time status of your transactions

Choose HSBC Mutual Funds online today

Enjoy the lifestyle that you truly deserve
