Important information

- If we're unable to process your transfer on the date selected, due to financial and/or non-financial reasons, we'll attempt to process your transfers, once a day over the next three working days unless you cancel your transfers. After the final attempt your transfer will be cancelled.
- Please verify that the daily transfer limit for your account supports all your transfer requests, including multiple transfers on the same day, future transfers and recurring transfers. If your daily transfer limit on any day (now or in the future) is exceeded, we will prioritise transfers based on the time and date of such transfers or scheduled transfers
- If your request is received after the daily cut-off time or the effective date falls on a non-working day your transfer will be processed the next working day.
- Please make sure there is enough money in your account on the date selected.
- Cancel a future dated transaction anytime by selecting
