

HSBC Employee Banking Solution Transcript

VO: Ever wish banking could be uncomplicated?

VO: Introducing the HSBC Employee Banking Solution

VO: A proposition especially designed to provide banking solutions for employees of leading organisations

VO: that answers some very simple questions.

VO: Like why go looking for a specific ATM,

VO: When you can just use any?

VO: Why bother with passwords and OTPs, when you can login with your face? And access all our banking services through our advanced online banking interface.

VO: Why worry about keeping a minimum balance?*

VO: And why isn't it easier to get professional help with your investments?

VO: HSBC also has a strong global network, which makes access to your account from anywhere a breeze.

VO: So wherever you are in the world, HSBC has your back.

VO: What's more, our EBS customers also enjoy a host of features with our credit cards. From preferential rates on Personal Loan and Home Loan to exciting cash back features.

VO: On opening an account with us, you open the door to uncomplicated banking.

Super: Together we thrive
