KEY THINGS YOU SHOULD KNOW

- We, The Hongkong and Shanghai Banking Corporation Limited, (HSBC/the Bank) offer Home Loans and Loan Against Property at floating rate of interest. For further details in this regard, please reach out to your Relationship Manager (RM) or visit the nearest HSBC branch or visit our website www.hsbc.co.in
- Floating rate loans are linked to the bank's Repo Linked Lending Rate (RLLR) which is published on our website. The RLLR is published by the Bank at the beginning of every month, which will be the benchmark rate for loans that are disbursed in that month. The floating rate of interest on all the loans linked to RLLR disbursed by the bank will be reset in line with the movement of the RLLR. In case of change in Repo Rate, RLLR will be changed in the beginning of the following month (by 7th calendar day of the following month). Consequently upon any change in RLLR, the rate of interest of loans linked to RLLR will undergo a change. This will have a corresponding impact typically on loan tenure keeping your Equated Monthly Installment (EMI) constant. HSBC still reserves the right to change the EMI without giving effect to the tenure of the loan.
- The facility offered on your loan is subject to certain fees/charges applicable before and after disbursement. Please refer to the 'Loan Service Charges and Fees' section of our website for details
- We request you to read the loan agreement carefully and ensure that key terms such as interest rate, loan amount, loan tenure, EMI, processing fees, pre-payment charges, are clearly stated before you sign the agreement
- Your security documents are required to be stamped as per local stamp laws, at your expense. Your Relationship Manager would be able to advise you on the applicable stamp duty for your loan
- You are required to obtain Collateral insurance for the property with an insurance company for loss due to Fire, Lightning, Implosion / Explosion, STFI (Storm / Tempest / Flood / Inundation), Impact Damage due to Accident, RSMD (Riot / Strike & Malicious Damage), Subsidence & Landslide including Rockslide, Aircraft Damage, Missile Testing, Bush Fire, Bursting of Water Tanks, Leakage from Automatic Sprinklers, Earthquake & Terrorism with HSBC being the beneficiary of the issued insurance policy at all times during the loan tenure.

It is mandatory to have policy cover for minimum of five years at the time of disbursement and renewal thereafter to cover the remaining tenure of your loan.

- Interest on your loan will accrue on a daily basis on the total outstanding balance on that day, and will be payable monthly in EMIs through a Standing Instruction (SI) or letter of authority by debit to your HSBC account
- In case of under-construction properties, the loan is disbursed in tranches and only interest will be levied on the amount disbursed till the time property is completed or till 3 years from the date of disbursement of the first tranche, whichever is earlier. Upon completion of the property or post 3 years from the date of first disbursement the monthly installment of Pre Equated Monthly Installment (Pre-EMI) will be converted to Equated Monthly Installment comprising of principal and interest on the loan amount sanctioned.

*Pre-EMI means interest on the disbursed loan amount from the date/dates of disbursement until the date of commencement of EMI at the rate indicated in final loan agreement/legal kit, and subject to changes from time to time

- You need to pay your Monthly Installment on the EMI date. Non-payment of EMI would impact, including and not limited to:
 - Your credit rating (reporting to Credit Bureaus)
 - Other loans availed of from HSBC
- In addition to the above, HSBC may initiate collections and legal action to recover the dues; HSBC can recall the loan and the property can be attached
- Please seek independent professional tax advice for any tax related issues and implications on/of your loan
- We will notify you of any changes in the terms and conditions of this product with prior notice of 30 days

The interest rate in loans which are linked to RLLR will undergo re-pricing (i.e. upwards or downwards as the case may be) in line with the movement of the RLLR. Repo rate is normally reviewed by the RBI/Monetary Policy Committee at intervals of two months. 3. Interest

- On a monthly basis, you would be required to repay the principal amount of the loan and interest on the loan at the rate as set out in the agreement
- Interest on your loan accrues on a daily basis on the total outstanding balance on that day, and is compounded and will be payable monthly on EMI dates as mentioned in point No 4 herein
- If your Equated Monthly Instalment (EMI) date falls on a Sunday/public holiday, your interest will be calculated inclusive of that day and debited on the next working day
- The interest rate on the Floating Rate Loan which is linked to HSBC's published Repo Linked Lending Rate (RLLR) will undergo re-pricing (i.e. upwards or downwards as the case may be) in line with the movement of the RLLR. Repo rate is normally reviewed by the Monetary Policy Committee at intervals of two months. In case of change in Policy Repo Rate, RLLR will be changed in the beginning of the following month (by 7th calendar day of the following month). Consequent upon any change in RLLR, the rate of interest of loans linked to RLLR will undergo a change. The RLLR is published by HSBC at the beginning of every month, which will be the benchmark rate for loans that are disbursed in that month.
- The floating rate of interest on all the loans linked to RLLR disbursed by HSBC will be reset on the month following the announcement by RBI on change of policy repo rate. The reset will be done by the 7th calendar day of the month. (refer to the example below)

Example:

- A RLLR Linked Home Loan disbursed during Month 1 will be benchmarked against the RLLR of Month 1. The policy repo rate is reviewed by the RBI in the Monetary Policy Committee every 2 months. If the repo rate is changed by the RBI in month 1, the interest will be reset in Month 2 against the revised RLLR at the beginning of Month 2 (by the 7th calendar day of Month 2). If the repo rate is changed by the RBI in month 2, the interest will be reset in Month 3 against the revised RLLR at the beginning of Month 3 (by the 7th calendar day of Month 3)

A revision in the applicable Rate of Interest would typically lead to a revision in the Home Loan tenure and the EMI would remain constant, however the Bank still reserves the right to change the EMI without giving effect to the tenure of the Home Loan.

- The revised loan interest rate will be notified to you by SMS, or E-mail or letter as per HSBC's prevailing policy; however SMS will be the preferred mode.
- The applicable rate of interest rate on your loan is linked to the RLLR plus the margin (spread). The margin charged to you will not be increased throughout the tenure of the loan, except on account of deterioration in the credit risk profile of the borrower
- Your SmartLAP/Smart Home account can be used for other regular banking transactions. Excess funds over and above the EMI deposited by you into the account will result in savings on interest as the account will compute interest only on the net debit/ledger balance on a daily basis. This interest offset enables you to reduce the interest paid and thereby resulting in a reduced tenure of the loan.
However, in the event the Excess Funds in the SHCF/ SLCF account are more than the Threshold Limit then the Bank may at its sole discretion charge Non-utilization/Commitment Fee as mentioned and agreed in the Key Fact Statement.
The Customer acknowledges that the bank has discretion to change Non-utilization/Commitment fee or 'Threshold Limit' basis internal review with prior notification to the customer.

Changes in the rate of interest

Your floating interest rate loan is linked to the Repo Linked Lending Rate (RLLR). Any change in the RLLR would also have an impact on your rate of interest of your loan.

4. EMI Date

Your EMI date would be either the 1st or the 15th of every month following the month of disbursement. For loans disbursed between the 1st and the 15th, the EMI would fall on the 1st of the next month and for loans disbursed between the 15th and the 31st of the month, the EMI would fall on the 15th of the next month.
