Interest will be charged on the extended credit as per terms and conditions
  • If cardholders avail of the extended credit facility by paying an amount less than the statement closing balance, the entire outstanding amount will attract a finance charge from the respective date of transaction at the prevailing rate. All new transactions will also attract a finance charge from the respective date of transaction
  • All cash advance transactions will attract a finance charge at the prevailing rate from the date of withdrawal until the entire amount along with the charges are cleared
  • Finance charges are computed from date of transaction at the prevailing rate mentioned in the Tariff Sheet for respective product or at such modified rates as decided by the Bank from time to time

f) Late payment fee:
Late payment fee (Charged if the minimum amount due is not credited in the card by the payment due date) is 50% of the Minimum Payment Due (MPD) subject to minimum fees of ₹400 and maximum fees of ₹750 per month. Assume you receive a statement for the period 16 October - 15 November, with a payment due date of 7 December.
